

RE: N-400, Application for Naturalization

Applicant:

A#:

I understand that I, \_\_\_\_\_, am not represented by any organization or attorney present at the naturalization workshop. I understand that I will only be assisted in the completion of my N-400, Application for Naturalization and any representation does not go beyond this naturalization workshop.

No G-28 is or will be on file for my case, therefore, they will not be able to monitor changes in circumstances which may affect the strength of my case.

I understand if I would like any representation for this matter, I will need to seek private counsel.
