

Speakers Bureau

Purpose:

The purpose of the Speakers Bureau is to provide voices representing Catholic Charities Dallas to each Parish one Sunday after every Mass. Speakers will also be available after Mass to pass out information and answer questions.

Goals:

The goal of the speaker is to increase awareness of Catholic Charity Resources, to call attention to high community need, and show how CCD is addressing those needs.

This is separate from a second collection campaign, as our primary goal is to share resources to parishioners around the Diocese of Dallas.
