sweet treat**

**Bottled  
water**

**Canned protein**  
(with pop-top)

## Operation Meet Them Where They're At

Intimidation and the unknown can deter a person from reaching out for help.

Operation Meet Them Where They're At will help alleviate this issue and supply unhoused individuals with basic human needs.

Our end goal for this project is to create kitted bags that can be distributed to unhoused individuals on a bi-weekly basis in addition to serving them with groceries.
