

Outreach Events Available to the Community

The goal of our Immigration Legal Services program is, by working together with community partners, churches, schools, and other programs, to educate and prepare the community for the unknown, especially at trying times like today.

A prepared community and an educated community is a stronger community. We know that not everyone may qualify for an immigration benefit, but we can provide education, materials, support, and strength for many of them.

All events are free of charge and available upon request.

Every day, Catholic Charities helps our community's most vulnerable by taking on the effects of poverty and helping all those in crisis move toward a better life. If we can't help, we know who can. **Pass it on.**
